

**Data Analyst Internship - Albarraque - 1010€ gross****Early careers at PMI****Be a part of a revolutionary change**

Times are changing at PMI. We've chosen to do something big. The world expects us to act responsibly. And we are doing just that by transforming our business by building a smoke-free future - creating products with the power to improve the lives of a billion smokers worldwide.

This transformation will revolutionise every area of our business. The products we sell. Where we sell them. How they're manufactured and delivered. The way we talk to our customers and engage with society.

It's the perfect setting place to start your career. As you take your first steps, you'll have the backing of a multinational business combined with the freedom of a startup. You'll bring a positive mindset and fresh perspective to projects that can make a huge difference: to the way we work and to the lives of a billion smokers.

Your 'day to day'

You will be responsible for analysing multiple sets of business data, Identify improvement areas and suggest creative solutions, Collaborating in the design of data quality improvement plans.
You will Actively contribute towards data excellence

Who we're looking for

You'll have an academic degree, strong analytical skills and a critical and creative mind set.
You enjoy working with large data sets, looking into detail to understand cause of concern and capable of intertwining multiple sources of information.
...and, of course, you need to live and breathe Excel.

What are nice to have

You have a degree in Mathematics, Management, Economics, Statistics, Engineering or similar.

What we offer

A 6 months paid internship in an International and fast-paced work environment, moreover, you'll have the opportunity to learn more by interacting with dynamic teams at different levels of experience and expertise across the Company.
Our success depends on the men and women who come to work every day with a sense of purpose and an appetite for progress. Join PMI and you too can:

- Seize the freedom to shape your future and ours. We'll empower you to take risks, experiment and explore.
- Be part of an inclusive, diverse culture, where everyone's contribution is respected; collaborate with some of the world's best people and feel like you belong.
- Pursue your ambitions and develop your skills with a global business –our staggering size and scale provides endless opportunities to progress.
- Take pride in delivering our promise to society: to improve the lives of a billion smokers.
