

Photography and Video Internship

Job description

Uniplaces is building a trusted, global brand for students. We believe in empowering student mobility and we have started by making the process of finding accommodation easier. We're solving real life pains and we're backed by top tier investors such as Atomico, Octopus Investments, Shilling Capital Partners and Caixa Capital to help us achieve this better and faster.

We are an internationally minded company with an extremely talented team and global ambitions. Our decisions are driven by our core values of Passion, Impact, Trust and Team Spirit - with which we aim at having a company where everyone feels accountable and empowered to achieve their full potential.

About the Operations Team:

Every day, more than 5000 nights are booked by students from 175 nationalities in 33 different cities on uniplaces.com. Our Operations team that embraces 14 nationalities and works across 6 different languages, ensures that every interaction with customers is focused in improving the student and landlord experience, so that room search becomes as easy as buying a flight ticket.

Join us and access the same cool office perks that any Uniplacer has access to, from fresh fruit to free hot drinks, massages, in-house gym, and much more.

Come to Lisbon and enjoy:

Personal Allowance
You will have an internship allowance to help with your personal expenses

Meal Voucher
You will receive a meal voucher to cover your food expenses

Learning & training
Access to masterclasses, speaker series, operations training + business exposure

What can you expect from this experience?

A lot of your day will be spent on taking amazing photographs and filming, to make sure that our website has the most brilliant and amazing pictures of rooms and houses for renting. To be able to thrive in a startup environment, you have to be the type of person who feels comfortable going up to someone and communicating face to face, and you get a thrill out of creative problem-solving!

In this role, your mission is:

- To go on in-house photography and video sessions, as also as floor plan editions.

- To be the point of contact for the photography issues.
- To schedule and upload sessions on time.
- To guarantee quality control on photo and video sessions and floor plans to ensure processes compliance with quality standards.
- To have constant contact with team members and provide regular feedback to them when needed.
- To work as a connector between the sales and the customer acquisition team.
- To extract and analyse data that will help on the photography performances rate and help showing the team where to improve.
- Proactively suggest, structure and implement improvements across the photography topics.

Requirements

What is the profile we are looking for?

- Native in Portuguese and fluent in English (other languages are a plus);
- Some professional experience in photography is a bonus.
- Enrolled in university or recently graduated;
- International-minded and able to cope with spending some time working alongside talented people from 15 different nationalities;
- Available to relocate to Lisbon or already living here;
- A mix between an easy-going-communicative-proactive-dynamic-funky-positive person who is not afraid to jump into this amazing environment!
- We also expect you to be flexible and have an eagerness to learn, since it's the greatest recipe to thrive in a startup environment.

This is why you'll love this job:

- Through our training and hands-on experience with insights from our most senior employees, you'll learn how to pitch like a boss and sell like the Wolf of Wall Street;
- Meeting people from all around the world on a daily basis, really feeling you're helping landlords getting their properties known and fully booked;
- A company culture that is people-driven and that focuses on personal development and training to help you tap your talent into its full extent;
- Access to a pool of talent that is hard to find. Your stakeholders and peers will come from world class backgrounds and will have stepped up within Uniplaces. You'll find mentors and role models;
- Working in Lisbon, in one of the coolest start-up hubs in Europe, where the sun always shines and the seafood is delicious.

What else do you need to know?

- The role is based in Lisbon;
- You will have a 3 to 6 months Internship contract;
- For this position, we do not sponsor working visas, but we offer a relocation package in case you are not in Portugal.
