

System Ninjas – Junior Developer

System Ninjas Dojo is a new IT concept, powered by Readiness IT, a Global Expert Telecommunications company.

With 4 offices in Portugal, 1 in Santiago Chile, 1 in Auckland and with more than 400 IT professionals involved in a Digital Transformation and System Integration projects around the world, we are looking for new people to join our team in Portugal.

We are recruiting **IT young graduates**, to join our team.

The selected candidates will have the opportunity to **get technical training** in cutting edge technologies. Don't lose this opportunity to develop an IT career in a multinational company with project all around the world.

All applicants that successfully accomplish System Ninjas training will join Readiness IT.

To be an IT Ninja:

- Young graduates in Informatics, Telecommunications, Bio Engineering or similar;
- Programming knowledge, academic or professional, in: Object oriented programming (Java; C#; JavaScript), HTML, CSS, SQL;
- English – Spoken and written; Spanish is a plus;
- Willing to be a System Ninja Master.

What can you expect from Dojo:

- 12 months paid internship at System Ninjas Dojo in Fundão;
- Opportunity to learn cutting edge technologies;
- Continuous on the job training at System Ninjas;
- Exciting international projects to work on;
- Career in an innovative and specialist company;
- Placement better paid than in the rest of the market.
